Why Shree Vidya - 10 USPs

- **Future Ready** - Along with the target examinations, we at Shree Vidya coordinate many national and international competitive exams, short-term workshops, seminars, international conferences. Mock tests and various test series are arranged.
- **Faculty Members** - Our faculty members are specially trained to understand today's academic system.
- **Test Series** - Rigorous practice and test series ensure students are free from exam phobias and fears.
- **Interactive Sessions** - These help in better and easier understanding of concepts.
- **Academic Planner** - A year-long course planner is prepared and provided to all enrolled students at the beginning of the academic session.
- **Integrated Study** - It's a unique program that integrates school syllabus mastery with entrance test preparations, personal self-study, and focused coaching.

We prepare students for board and competitive exams, synchronizing them in a stress-free environment:

- **Performance Monitoring** - Students' academic performance in each test is analyzed on various parameters at both macro and micro levels, and detailed reports are made available.
- **Doubt Clearance and Back-Up Classes** -
 - After topic completion, we conduct doubt - removal sessions for that topic. A dedicated team of faculty members is available regularly to solve problems.
 - Back-up remedial classes are arranged for specific students based on their performance reports.
- **PTM and Proctorial Sessions** - A platform where parents can interact with faculty, giving them an opportunity to discuss doubts, concerns, and queries.
- **Motivational and Counseling Sessions** - At Shree Vidya, we ensure every student remains motivated and enthusiastic. Regular motivational and counseling sessions are arranged as needed.
